Jardine

As Your Ward I Public School Board Trustee

Your choice for Strong Public Schools

Meet Tina Jardine

As a mother, grandparent, 30-year Edmonton resident and 18-year veteran of the Edmonton Public School Board staff, Tina Jardine knows the public school system inside and out, and knows that Trustees must be accountable to children and parents—not school administration.

WARD I
MAP

Elect Tina for Ward I

- Accountability to the people of Ward I — a pledge to consult with parents & the community first;
- A community-first education model, where school closures are the absolute last resort;
- A strong advocate of reasonable education funding who will take on the provincial government for proper capital & classroom funding;
- A trustee who will fight for proper staff levels, low class sizes, new technology, and above all, public schools.
